

Foreign Language Courses

The Punjab Technical University is going to organize the foreign language courses of French and German for the students and the faculty members of the PTU affiliated colleges and institutes. The classes will be held on only weekends (Saturdays & Sundays) at the PTU Mohali Campus. The courses are internationally recognized and the certificates are acceptable all over the world. Those students and the faculty members who are interested to join the foreign language courses should submit the registration form.

Note: The registration for the French course is over. The admission form and the mode of payment will be sent by email to the selected students. The selection is on first come first serve basis. The registration for the German course is open till August 23, 2010.
